Our special "thank you" is given for the patience of our readers and to all the people who have helped with this publication, in time and material contributed.

We enjoyed our table at the Baldwin City Maple Leaf Festival, Oct 21-22, 1978. We were again located in the Santa Fe Trail Cabin, 3 miles east of Baldwin on 56 Highway. Over one hundred fifty people signed our register. A thank you to those of you participating.

Since we have no Editor at the present time, we are with the help of the Publications Committee and Exchange Quarterly Committee publishing The Pioneer.

Because of postage rates and convenience in printing, our future quarterlies will be printed and mailed two at a time.

We are especially asking for Kansas related material at least fifty years old to print. Nothing will be refused. Please copy any records as we do not wish to be responsible for the original copies.

Queries from members will be printed free. Queries from non-members also will be printed free but must concern relatives who were located in Kansas at least fifty years ago. For best results state at least one date and another fact for each relative. There is no limit to the number of queries submitted. Remember we have exposure to more than thirty states.

The exchange quarterly committee is doing a fine job, and deserves special credit for their outlining the exchange quarterlies and newsletters.

You will be hearing from us again very soon.

Sincerely,

Mary Jamison

MARSHALL CEMETERY

Marshall Cemetery is located three miles south of Lawrence, on a high knoll on the Ralston farm formerly owned by Zacariah Marshall.

This burying place has been abandoned for many years, and we find but one marble slab standing: the inscription Carrie P., wife of M. E. White, born July 29, 1843, died, Sept. 25, 1865.

A daughter of Zacariah Marshall who was killed by lightning was buried here, also one child of Wm. D. Wells.

Charles Ayer, young son of Omar Ayer, was buried here, but later moved to Oak Hill.

There has been no burials since Sept. 1869, when Charles Ralston, father of the present owner, Ernest Ralston, bought the farm.

EXCERPTS taken from the book:

FRANKLIN SCHOOL DISTRICT No. 16 - located about 2 miles from the place where the old California Road crossed the Wakarusa River - about 4 miles from what was then the southeast city limits of Lawrence, Kansas.

Site for the town of Franklin (a pro-slavery town at that time) was chosen in 1853.

In 1872, a district school was organized. In 1897-98, the teacher was B. E. Tuttle. School board members were: T. W. Green, T. W. Duncan, and Chas. Wilson.

The following families were on the school census in 1898 (** Surnames): Breckenridge, Chambers, Davis, Buncan, Green, Hermel, Hines, Hartman, Hilton, Johns, Klass, Langley, Sternberg, Watkins, Whitney, and Young.

In 1947, the school was closed because there were so few pupils, and in 1951, the schoolhouse and its equipment were sold at auction.

Please note: - This book is one of the best sources for genealogical research for Douglas County, Kansas. In it are listed 83 school districts dating back to the 1850's. Names of board members, teachers, families, and children are in great abundance in the book, as well as some history about each district, and interesting stories of these rural schools. There is a beautiful sketch of each school artistically done by the author who is also an accomplished artist.

There are a few remaining copies of this "one-time printing" book. The price is \$14.00 plus \$1.00 for mailing and handling. It may be obtained from:

WHAT IS A GRANDMOTHER?

A grandmother is a lady who has no children of her own, so she likes other peoples' children. A grandfather is a man grandmother. He goes for walks with the boys and they talk fishing and things like that. Grandmothers don't have anything to do except be there. It is enough if they drive us to the supermarket where the pretend horse is and have lots of dimes ready. If they take us for walks they should slow down past pretty leaves and caterpillars. They should never say "hurry up". Usually they are fat, but not too fat to tie kids shoes. They wear funny underwear and glasses. They can take their teeth and gums off. They don't have to be smart, only answer questions like why dogs hate cats and how come God isn't married. They don't talk "visitors talk" like visitors do, because it is hard to understand. When they read to us, they don't skip words or mind if it is the same story over again. Everybody should try to have a grandmother, especially if they don't have a television because grandmas are the only grownups who have got time.

--Reprinted from Genealogy No. 32 by Willard Heiss who stated that it came to him with a note that it had been written by an eight-year-old in Shreveport, Louisiana, and he hastened to share it with other grandparents.
