# Give him a break!

PLEASE CLEAR THE WIRES  
FOR HIS CALLS BETWEEN 7 AND 10 P.M.

He's busy all day. Barely except during the evening has he time to call home. And that's when long distance lines are most crowded. You can help . . . by making your long distance calls, if at all possible, before 7 or after 10 p.m. . . . Thanks. He'll appreciate it.

**TO ADD VALUE TO YOUR TELEPHONE SERVICE**

**ANSWER PROMPTLY...**  
When your telephone rings, answer promptly. A delay may cause you to miss an important call.

**WAIT SEVERAL RINGS...**  
When you place a call, give the called party time to get to his telephone from another part of the house, or even from the yard. Wait several rings . . . about a minute.

**IDENTIFY YOURSELF...**  
When you answer, identify yourself immediately with some such phrase as "1732" or "Smith Department Store." Answering in this manner eliminates needless questioning . . . saves time.

**SPEAK DISTINCTLY...**  
Talk directly to the telephone. Your lips should be about half an inch from the mouthpiece. Use a natural, pleasant voice. Don't whisper. Don't shout.

# FACTS ABOUT LONG DISTANCE SERVICE

To assist you in choosing the service to use

## STATION-TO-STATION CALLS

The rates are lower on these

On the lower-priced station-to-station call, you talk to anyone who answers at the number called. To make a station-to-station call:

Call "Long Distance." Give operator name of the town to which you want to talk, and the telephone number, if you know it. For example, say "Memphis, Tennessee, 9-8798," or "Memphis, Tennessee, Mr. John Ford's residence at 197 Court Avenue."

Be sure **not** to specify any particular person, or the number or location of any private branch exchange station (such as Room 711, Hotel Excelsior, or Shipping Department). Such calls take the higher person-to-person rate.

## Facts About Station-to-Station Calls

1. Rates are lower than person-to-person calls except on some collect calls where the rate is 25 cents or less. See rate table on inside front cover of this directory.
2. They are usually more quickly completed than person-to-person calls.
3. Where the rate is 25 cents or less, you are permitted a five-minute conversation without additional charge except on some collect calls. Where the rate is over 25 cents, the initial period is three minutes.
4. The call is timed from the moment the called telephone is answered.

## PERSON-TO-PERSON CALLS

You talk to a particular person

On person-to-person calls, you call for a particular person, or a particular extension, such as "Room 711, Hotel Excelsior." This service assures your getting to talk to the person you want. To make a person-to-person call:

Call "Long Distance." Give operator name of the town, the telephone number or address, and the name of the person or department you want. For example, say "Memphis, Tennessee, 9-8798, Mr. John Ford," or "Memphis, Tennessee, 9-8798, Extension 711."

## Facts About Person-to-Person Calls

1. Charges begin when you start talking with the called **person** or with anyone at a called extension telephone.
2. All initial periods are for three minutes. The rate for person-to-person calls is somewhat higher than for station-to-station calls.
3. We will make repeated attempts on the same or a later day to reach the person with whom you want to talk, at different telephones or even in different towns. No additional charge is made for this service. However, on calls within the State, if your party cannot be reached for reasons beyond the control of the telephone company, or your call is canceled, a report charge is made.

---

## COLLECT CALLS . . .

You may reverse charges; that is, have them billed to the called telephone. Simply tell the operator you want to call collect. If the called party agrees to pay the charges, they will be billed to his telephone.

## FOR FASTER SERVICE . . . CALL BY NUMBER . . .

If you know the number of the distant telephone, give it to Long Distance. It will speed your call.
