## **OBITUARY OF JOHN CHARLES SAUNDERS**

*This obituary appeared in the Lawrence Journal World, October 15, 1936.  
Submitted by Carol Whitson.*

John Charles SAUNDERS was born October 2, 1859, on the homestead near Sibley, Kansas Territory, which his father, the late Capt. Henry T. SAUNDERS, had received from the United States government in 1854, when he and his wife, and four small children pioneered from Massachusetts to Kansas. In 1864, the family moved to Lawrence and again in 1883 from Lawrence to a farm a short distance east of town which is now known as the Park HETZEL, Sr., home. On November 9, 1899, John Charles SAUNDERS and Ida WALTERS, also a native of Kaw valley, were married and established another home, the one where each of their six children was born and which has remained the family home from then until now.

On October 15, 1936, death came into this happy circle for the first time and removed the husband and father, leaving to mourn his absence his faithful and loving companion, Mrs. Ida SAUNDERS; his children and grandchildren, Mildred J. and Philip M. of the home, Mr. and Mrs. Miles W. SAUNDERS and daughter, Carol Mae of Lawrence, Mr. and Mrs. James H. SAUNDERS, Mr. and Mrs. William J. SAUNDERS, Mr. and Mrs. Harold SAUNDERS and baby daughter, Catherine Estelle, all of Kaw Valley; a sister, Mrs. Park HETZEL, Sr., of Kaw Valley; three brothers, Frank M. SAUNDERS of Chicago, Eben R. SAUNDERS of Topeka, since deceased, and Robert S. SAUNDERS of Lawrence, and three sisters and two brothers.

Coming from a family of sea captains, a fondness for the water and an instinctive love for the wilds made him a naturalist. He spent much of his time on the Kaw river and along its banks fishing, trapping and hunting - studying, observing and learning; always on the alert for some animal trait that was new to him, some habit with which to increase his own knowledge or which would be of value to others, especially during his fourteen years' service as assistant at the Dyche museum at the University of Kansas.

In 1892 a collection of valuable specimens from the museum was entrusted to him to be taken to Chicago and placed on exhibition at the world's fair. This collection was awarded a high honor and for his connection with it, he was presented a diploma of honorable mention by the managers of the World's Columbian Commission.

During the year 1905 he spent several months in service of the Carnegie Biological Institute of Arts and Sciences at Cold Springs, Harbor, Long Island, N.Y.

Of late years, however, most of his life had been with those he loved and amid surroundings so dear to his heart. He became known as a builder of boats and a maker of nets and inspired by his love of music and his knowledge of wood he made with his own hands musical instruments, including a violin and a tiny guitar. He was never happier than when surrounded by a group of boys, explaining and teaching in his quiet, thoro way, the secrets of the birds or other dwellers of the woods or river. Even during his last illness, he was ever listening for the call of some special bird and was always interested in the daily happenings of his beloved outdoors.

After an illness of five weeks, "Charlie" SAUNDERS was called to explain the mysteries and treasures of another world but he left a heritage of great worth to those with whom he had come in contact, and whose lives are richer and broader because of his having passed this way.

**PRAIRIE CENTER CEMETERY, JOHNSON COUNTY, KS**

*Prairie Center Cemetery is located just over the Johnson County - Douglas County line, near Hesper Church, across Captain's Creek and about a half mile south of the road. It was first called the Hale Cemetery.*

*The first plot of ground was two acres given to the cemetery by the HALE family. In 1911, John and Hannah GARRETT gave another acre to the west. The first burial, according to one of the gravestones, was Joseph HALE in 1862. Early officials of the Prairie Center Cemetery Association were Benton SCOTT, O.C. CAMP, and Charles HOYT.*

*According to Memories of Prairie Center, by Edwin Rice, and Eudora Community Heritage, the cemetery had always been taken care of by the lot owners. A day was set aside when everyone was supposed to come and mow their lots, but this did not prove satisfactory. Therefore, Prairie Center and Lexington Cemeteries were put in a benefit district in the early 1930's, with a caretaker hired through a tax levy. The Cemetery Board hired Bert MOON as the first caretaker.*

*In 1942, the Sunflower Ordnance Works bought the land around the area, including Prairie Center Village. The road leading to the cemetery from the south had to be abandoned, as it was in the plant area, but the cemetery remains.*

*These tombstone inscriptions were read by the D.C.G.S. Cemetery Book Committee. Submitted by Jean Snedeger.*

**DOUGLAS COUNTY, KANSAS VOLUNTEERS 1861-1865**

*Continued from Vol. XV, No. 2. This list was extracted and alphabetized from the Report of the Adjutant General of the State of Kansas, Vol. 1, 1861-1865, and another volume for the year 1864, which can be found in the Lawrence Public Library Kansas Collection, as well as the Kansas State Historical Society Library in Topeka. The first volume (1865) contains only the 1st through 11th Regiments. In the 1865 report, the Adjutant General notes that his office does not have complete records for all soldiers, and other records are incomplete. Other records conflict so that "a discriminating judgement often has to be exercised." Many cases involve men captured or wounded or who voluntarily returned from desertion where the records did not report this. Likewise, when a whole regiment was mustered out, all its members were usually recorded as being mustered out on that date, regardless of whether they were actually present, out on detached duty or in the hospital. In this extraction, only those who list Douglas County residences are recorded here, and in many cases the original records did not record the residence. It will also be noted that where the name of a location in Douglas County is the same as the location name in another county, all those whose residences could have been in Douglas County were extracted. Also, where discrepancies exist between the two volumes, the 1865 volume information is used if possible, since it was published later and contains many corrections. Some notes indicate which volume was used (1865 is used as the date of the 1861-1865 volume). The 1864 volume lists some birthdates and places where the later volume does not, and these are noted.*

1887, 10 Nov: District Court of Douglas Co., KS, case No. 6099, John N. HOLUM vs. Andrew NORDQUIST and Doretta SMITH. John HOLUM petitions to recover \$2,461.00 with interest from 8 Nov 1887, and costs of the suit, and for foreclosure of the mortgage.

Affidavit for publication filed 15 Nov 1887, N.J. HOLUM states that he is agent for John N. HOLUM, that the action is brought for the forclosure of a mortgage on the NW Quarter of the NE Quarter of Sec. 12, Twp. 13, Range 19. Defendants Doretta SMITH and J.W. SMITH are non-residents of this state and they claim an interest in the property. A summons cannot be served within this state on either of the defendants Doretta SMITH or J.W. SMITH.

Answer of Andrew NORDQUIST and Doretta SMITH filed 12 Dec 1887.

Journal N., p.401, 9 Feb 1888, the court finds that all defendants excepting Andrew NORDQUIST are in default for an answer, and that the allegations of the plaintiff's petition are true, the question as to the issue between the defendants the same is removed, and that the conditions of the mortgage have been broken. Unless the defendant Andrew NORDQUIST pays \$2,501.25 and 7% per annum interest within 10 days, the mortgage shall be foreclosed and an order of sale issued to the sheriff, and the proceeds of the sale be applied first to payment of the costs, second to the payment of the judgement and interest, and the surplus if any to be paid out under further order of the court.

## **A SUGGESTION FOR LOCATING RELATIVES**

Maxine Houglund suggests that if you want to find relatives looking for your ancestors, leave a note in a glass jar at the graves of your ancestors, giving your name, telephone number, address, etc. Hopefully someone else visiting the grave will find it and write.
