## CANDIDATE FORUM

If you would be interested in having a neighborhood forum for candidates for the City Commission, one will be available at the East Lawrence Center at 15th and Brook Streets at 7 PM, March 15,

" IF "

enough are interested. But we want to be sure that there are enough present to make it worthwhile for the candidates to give of their time.

Therefore, if you would come to such a forum, please call 843--0471 Or 843-9390, and express your interest. Call by March 13.

Watch for the announcement in the Journal World or listen to KLWN on Wednesday.

Let's make Brook Creek Neighborhood informed and let's have a larger percentage of voters than any other precinct in town. This is where your voice is really heard and counted.

## Brook Creek Brews

Vol. IX, No.1  
March 8, 1989

As defined by the planning department, Brook Creek is that neighborhood bounded by the railroad tracks near Oregon Street on the west, 11th Street on the north, 19th Street (north side only) on the south, and the eastern city limits.

If you live within the Brook Creek Neighborhood, we would like for you to come to our monthly neighborhood meetings.

Issues discussed at these meetings explore community development, the neighborhood Center, and any other concerns you or your neighbors may wish to discuss.

Meetings are held the second Wednesday of every month, except August, from 7:15, at the East Lawrence Center, in the south room, at 15th and Brook Streets.

PLEASE COME !

Present members please note the change to Wednesday

Thursday is down town night and the night for many city committee meetings. We hope Wednesday will be more convenient for many of you.

Dues are \$1 per person.

Board members are :

President- Mr Don Binns  
Vice- Pres.- Goldie Harmon  
Sec.- Rachel Grantham  
Treas. Doug Miller

VACATION OF ALLEYS

It has come to the attention of the association that there are a number of alleys in the area that the city has control of. If you wish the city to vacate these alleys, and the property returned to the owner, you may ask the city to vacate these alleys .. Only property owners may request this vacation of alleys. If you are interested, see George Williams at the City Engineer's office at City Hall.

Charles Howe or Freda Stalkfleet can tell you how to go about it. They have already applied.

Brook Creek Association did not request that these alleys be paved.

FULL-DAY KINDERGARTEN

East Heights School has been chosen to experiment with the new concept of the full day attendance of children of kindergarten age.

We suspect that there will be much resting and playing in store for these wee folks.

\* \* \* \* \*

BLOOD BANK

There is a severe shortage of blood for Douglas County at the present time. This is something which one can donate without cost.. We urge you to donate if you are physically able.

Just call the Blood Center at 749-3017 and they will give you an appointment at your convenience.

The address is 329 Missouri.

TREES

Would you like a free tree for your parking frontage ?

The city has approved \$2500 from Community Development funds for the Brook Creek area for trees to be placed in the parking in front of

homes of people who desire them and are willing to care for them.

If you wish to have such a tree ,please, fill out the following form and return to : Grantham, 1316 E 16th St., by September 15.

Request form:

I hereby agree to plant, maintain and water the tree that I receive.

Notice: Trees may be requested by the owners of the property and the trees must be confined to the City right-of-way.

# PICNIC

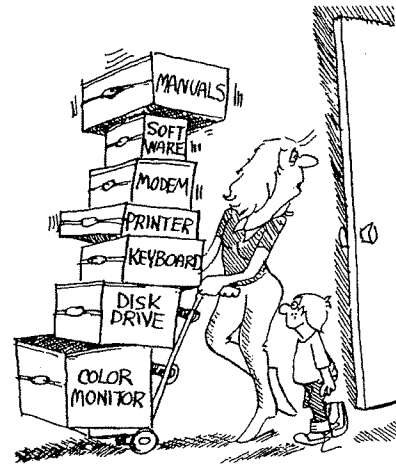

The annual MEMBERSHIP picnic will be held at Brook Creek Park, September 13, at 6:30 pm for members and prospective members.

Meat and drinks will be furnished. Bring a covered dish and your table service. Dues for the coming year may be paid at that time to be ahead of Santa's demands for your \$\$\$s. Remember- no inflation. Dues are still \$1.00. No other representation is so inexpensive.

Many of you who were former members are no longer active. Why ? We need you, for we continue to seek ways and means to improve our neighborhood and it is true that "in union there is strength". We do not know your needs if you do not present them and, if your own needs have been met, don't you owe it to others to help them meet theirs?

Incidentally, it is doubtful if the following things could have been accomplished without our organization:

1. Water mains on Oakhill and Summit
2. Drain pipe at 13th and Brook
3. Drainage ditch at 13th & Brook, rip-rap and widening
4. Drainage improvements on East 15th
5. East 15th overlay from Delaware to Cadet
6. Sidewalks Maryland to Haskell, 13th from Haskell to Brook, south from Edgewood to 19th,
7. Edgewood bike trail and playground equipment at Edgewood and Brook Creek parks, soccer field, screening at East Lawrence Center

"School supplies."

**SCHOOL TRAFFIC BEACONS**  
The City Commission over-ruled the decision to deny East Heights' request for traffic beacons as other schools in town have.

There will be two beacons on Fifteenth Street- one east and one west of Haskell.

They may not be installed before school starts but they have been ordered.

Thank you, City Commission.

\* \* \* \* \*

## WALKING

There is concern for the safety of those people who continue to walk in the streets instead of using the side walks.

We went to great trouble and expense to provide the walks for the safety of our children on their way to schools and to the Center. Most of the children do use the walks but many adults go strolling down the streets apparently oblivious of the traffic. This is necessary only when the sidewalks have not been cleared of snow in winter.

## SUNFLOWER JOURNEYS

If you are not familiar with the program "Sunflower Journeys" which airs on Channel 11, you are missing out on some interesting programs on our great state of Kansas and the people who are doing great things.

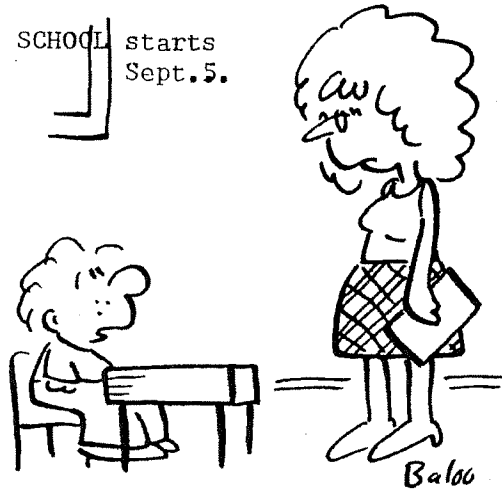

The programs are presented on Thursdays at 9p.m. and on Saturdays at 5:30 p.m. They last ½ hour. There have already been three concerning Lawrence. They are not just historical but are current and tell about things you might find interesting to explore on a week-end or just a day's trip.

Tune in sometime!

UNITED FUND

Your representative was asked to attend the last meeting of the United Fund steering committee for the purpose of giving publicity to the fall drive.

Upon arrival at the meeting she was greeted with the statement, "We have allotted Brook Creek about \$20,000 this time!"

Upon stating that she was not aware that we had requested anything from the United Fund, an inspection of the budget revealed that the "Kid Kare Center" at Edgewood Homes had represented themselves as representing our neighborhood and the East Lawrence Center. And the committee had not investigated further assuming that it was for programs at the Center. This was indeed an unfortunate misunderstanding on the part of the committee, and a disadvantage to our neighborhood which has already lost many of our programs to the Holcomb center.

CLEAN UP CLEAN UP

If unsightly property is a problem in your immediate neighborhood, report to the city inspector. There is now someone assigned to this duty and action will be taken after due hearing by the board.

\*\*\*\*\*  
COMMODITIES

Commodities will no longer be distributed at the East Lawrence Center. From now on they will be distributed by E K A N at one of the buildings at Edgewood Homes. You will probably be required to re-register.

\*\*\*\*\*

RECYCLING SORT

We are sorry that we were not chosen as one of the neighborhoods to participate in the pilot program for recycling of waste materials and also that the program was not adopted by the city. However the people who are collecting recyclable materials are adjacent to our neighborhood- just over on east 9th Street. So call them if you are interested.

\*\*\*\*\*

REQUESTS

Be sure to bring your ideas for requests for ideas which will improve our neighborhood, to the September or October meetings.

Plans for such projects must be finalized by November and, since there is a detailed amount of information which is required for any request- please, get your ideas in early.

- Candidates forums before elections

The Brook Creek Neighborhood Association needs you as a member ! The association seeks to do things to better our neighborhood .Examples of these things are legion and well known to most of you. A list of these accomplishments has been published repeatedly in our news letters.

Our membership has gone down and is now less than half of what it was at its peak. If this decline continues we will have no alternative but to disband as an association and go back to being the "forgotten part" of the city as it was before the association existed.

Join me in our efforts to maintain and improve the quality of life in our neighborhood.

- Shrubbery along Fifteenth Street in front of the Center
- Help with field trips for East Heights Children

These are all things which would never have been had it not been for the tireless efforts of those who have worked as a team to present and pursue these issues at City Hall. These are not things which the city did for you. Most of them were obtained by careful planning and persistent requests to Federal Community Development Funding. Much time was spent making the required estimates and attending numerous meetings. Don't you owe your neighbor a continuance of this sort of activity? Think on these things and come and do your part.

## APRIL MEETING PROGRAM

At our April 11 meeting we will have 2 speakers. One will represent the First National Bank and describe the new program they have for Senior Partner depositors.

The second speaker will be from the Paramedics and will discuss CPR classes.

\* \* \* \* \*

If you have a suggestion for a program you would like to have presented or are prepared to present a program, your suggestions would be most welcome. Some one has suggested the Neighborhood Watch Program. Are you interested?

\* \* \* \* \*

Please notice that at the last meeting of the Brook Creek Association it was voted not to have summer meetings. There will be meetings in September, October, November, December, March, April, and May.

\* \* \* \* \*

CONGRATULATIONS !!

Our President, Don Binns was recently elected President of the Retired Teachers Association of Douglas County.

## CENSUS '90

Please, fill out and return your Census form in the postage-paid envelope provided. By so doing, a census taker will not have to visit your home !!

\* \* \* \* \*

East Heights P T A will hold an ice cream social and bake sale, Tuesday, April 10 from 6 to 8 o'clock at the school cafeteria.

Volunteers are needed. If you will help, please call the school or call Nancy Scott at 842-2901 for a time slot. This is a great activity for all in the neighborhood to get acquainted with your school and your neighbors.

SEE YOU THERE !!!

\* \* \* \* \*

A letter from Lynn Goodell, Director of Community Development, states that it would be helpful if those who are requesting trees understand that decisions on where trees can be planted and what type of trees will be planted are made by the Parks and Recreation Department. Property owners may request particular types of trees, but they need to understand that it might not be possible to honor their requests. If you have questions, please, contact Fred DeVictor of the Parks department.

Once again I am asking for your support for our Neighborhood Association. And once again let me recite the accomplishments of the association. If it were not for the Neighborhood Association you would probably not have the following:

1. East Lawrence Center
2. Brook Creek Park
3. Shelter house and bridge in Brook Creek Park
4. Sidewalks on 19th and 15th Streets to get our kids to and from school safely
5. Paving and curbing of 15th Street
6. New water lines in some areas of our neighborhood
7. Drainage improvements (we need to keep on this)
8. Street improvements and vacation of alleys
9. Additional playground equipment in Brook Creek and Edgewood Parks
10. A rest room and a water fountain is forthcoming this year in Brook Creek Park.

We have dropped in membership about two thirds. There is strength in numbers. If you have any interest in continued improvement in our neighborhood, get off your duffs and JOIN the neighborhood association.

WE NEED YOU ! ! ! ! !

Dues are nominal: a dollar a year per person. Mail or take dues to Doug Miller, 1235 Prairie or call 843-6151, or best of all, bring to the picnic.

## FORUM ON A SECOND HIGH SCHOOL

Come hear both sides of the school bond issue presented at Brook Creek's next meeting on Wednesday, October 10. Your vote on November 6 will affect your taxes and the education of your children, grandchildren and/or neighbors.

The proposed \$31 million bond issue would finance a second high school and improvements to the present high school and two elementary schools. School Board member Mary Lou Wright and personnel director Bill Wilson will present why a second high school is the best alternative.

Eric Cleveland from Citizens for Education will discuss that group's reasons for opposing the second high school.

**CALL 842-5440**

We have arranged to share the phone bill with the Oread Neighborhood Association so that Brook Creek residents can now easily reach our coordinator, Jennifer Kimball Brown. Her office hours are 10:00AM to 1:00PM Monday through Thursday and 12:00 to 3:00PM on Friday. She can also be reached at other times, so don't hesitate to call and leave a message if she's not there. And don't be put off when the phone is answered with the Oread message.

We hope this will help you to find answers to your questions, figure out who to contact with your concerns, and give you an easy way to get your ideas to BCNA.

**DUES DUE!**

If you were not able to join us at the picnic to pay your dues, please bring them this month. Or, you can mail dues to Doug Miller, 1235 Prairie (843-6151). REMEMBER -- DUES ARE ONLY \$1.00 PER YEAR.

Brook Creek Neighborhood Association meetings are held the second Wednesday of the month, 7:30PM to 9:00PM, September through May (except in bad weather), at the East Lawrence Center, 15th and Brook Streets.

**PLEASE COME!**

**TABLES IN THE CREEK**

Picnic tables in Edgewood Park keep ending up in the creek. If you see them there, call Fred DeVictor, Parks and Recreation director, at 843-7122.

**WINTER WALKING**

If you would like to keep walking even in the bitter cold, the East Lawrence center may be the place for you. If enough people are interested, they can arrange to open the center some mornings. Call the center at 841-7758.

**CDBG IDEAS NEEDED**

At Brook Creek's November 14 meeting, we will be deciding on Community Development Block Grant proposals to submit to the City this year. This means we need suggestions at the October meeting. How would you like to see your neighborhood improved?

Several other neighborhoods have had Model Block projects. Model Block is a fix-up program that pays back \$1.00 for every \$4.00 spent on health and safety improvements. If you might be interested in the program for your block, call Jennifer at 842-5440 for more information.
