# DOUGLAS COUNTY, KANSAS MARRIAGE RECORDS

1885 - 1897

Volume 2

Published by:

Douglas County Kansas Genealogical Society  
P. O. Box 3664  
Lawrence, Kansas 66046-0664

The marriage records in this book were originally published serially in the Douglas Co. Genealogical Society publication "The Pioneer" and have been integrated here to provide easier access to the records. The Society regrets the possibility for errors in transcription of the original hand-written records and the indexing of the records. We will not assume liability for any such inadvertent errors.

The original publication included a "Bride's Index" that has not been included in this reprint. The Bride's Index is not needed due to the creation of a master index for the entire volume.

The index does NOT contain the names of the "Officiant", be it minister, judge, magistrate, etc.

When looking for a specific marriage record, be sure to check the index for both the bride and groom's names. If one was incorrectly entered, transcribed or copied, it is less likely that both names would suffer from a similar error.
