**TO ADD VALUE TO YOUR TELEPHONE SERVICE**

**ANSWER PROMPTLY . . .**

When your telephone rings, answer promptly. A delay may cause you to miss an important call.

**WAIT SEVERAL RINGS . . .**

When you place a call, give the called party time to get to his telephone from another part of the house, or even from the yard. Wait several rings . . . about a minute.

**IDENTIFY YOURSELF . . .**

When you answer, identify yourself immediately with some such phrase as "1732" or Smith Department Store." Answering in this manner eliminates needless questioning . . . saves time

**SPEAK DISTINCTLY . . .**

Talk directly to the telephone. Your lips should be about half an inch from the mouthpiece. Use a natural, pleasant voice. Don't whisper. Don't shout.

**RECORDING OF TELEPHONE CALLS**

If you hear a short "beep" tone on your telephone about every 15 seconds, it means that the person with whom you are talking is recording your conversation. This signal is provided by the telephone company for your protection. Use of a recorder without this signal is unlawful. If you do not want a record made of what you are saying, ask the person with whom you are talking to disconnect the recording machine. When he disconnects, you will no longer hear the "beep" tone.

## PLEASE...

# Take good care of me and I'll serve you well

I'm your telephone directory. If you treat me carefully, I'll help you get good telephone service.

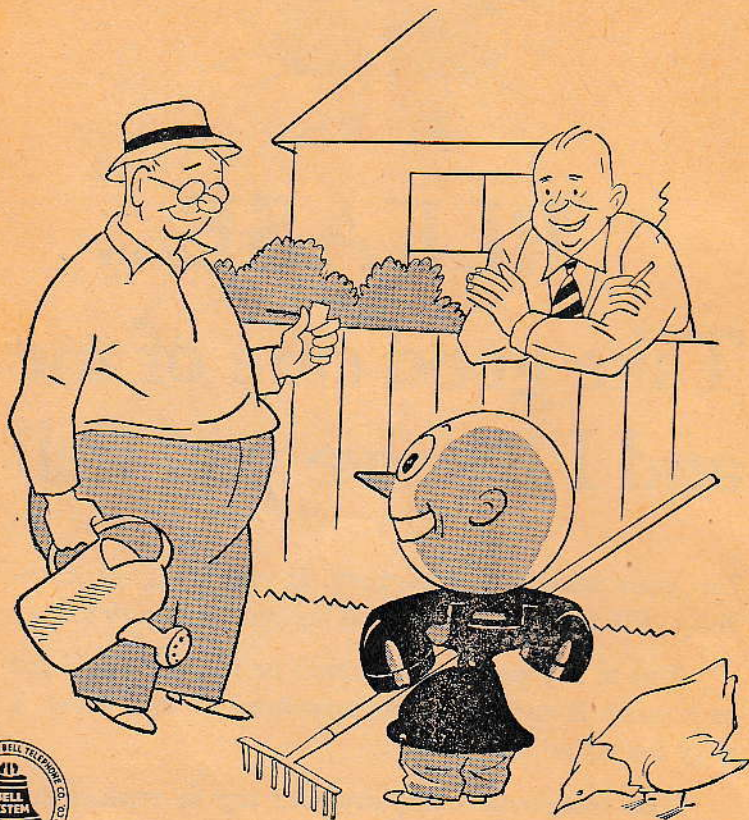

But if my pages get curled or folded, I'm hard to handle. If my pages get smudged or torn loose, I may be no help at all.

The telephone company will try to replace me if I am damaged, but sometimes it may not be possible. So, please, take good care of me.

I can help you most if you keep me near your telephone. If you can't find a number, call Information and ask for it. Then make a note of it on your telephone call list, so you'll have it next time you want to call.

# Co-operation pays on party lines

**Party-line neighbors reap dividends in better telephone service when they make calls brief...allow time between calls...replace receiver properly when finished.**
